

Fall 2011

Shalom Chaver/a,

You are entering the crossroads of your career at Habonim-Dror Camp Tavor. You are mid point between being a camper and becoming a staff member. I would like to invite you, to apply to Tavors' leadership, and team building program for 2012. You have attended Tavor through the years making wonderful friendships and creating traditions that will be with you always. Now you have the opportunity to give back to Tavor and to Habonim.

Madatz is Tavor's counselor in training program; specifically designed to prepare you to be the type of madrich/a who has made your past summers so memorable. The goals of the program are:

1. Taking an active role in learning and absorbing the differences between a camper and a counselor.
2. Creating a group spirit with people your own age.
3. Creating, and learning programming and hadricha skills.
4. Living, second session with campers having a madrich/a acting as a mentor.
5. Finishing with the tools to work as a madrich/a at camp and in Habonim.

Other features of the summer will be an extended tiyule, Madatz work project, and working jointly with the tzevet on special days. Madatz starts on Friday, June 22, 2012 and will end Wednesday, August 15, 2012. Please understand that we need to have all of the participants present for our whole program. Transportation to and from your home is \$150 round-trip. Suggested amount for kupah is: \$120.

This year the madatz application and the reference forms will be found on-line at our website: www.camptavor.org. Please download them and get everything back to me by April 1, 2012. There will be telephone interviews arranged during the spring for certain candidates.

Please call with any questions to 262-334-0399.

L'hitraot,

Shelley Goldwater
Executive Director
